## Minus40

## MED35GHD

### MED35GHD Medical Fridge

Introducing Minus40's smallest medical fridge, a countertop cooling solution for doctors, vets, dentists, laboratories, and aesthetic clinics. With a 35-litre capacity and a shelf for compartmentalisation, it occupies the same space as a microwave. The MED35GHD delivers the same performance as all Minus40 fridges, maintaining internal temperatures within the 2-8°C range required for many specialist products.

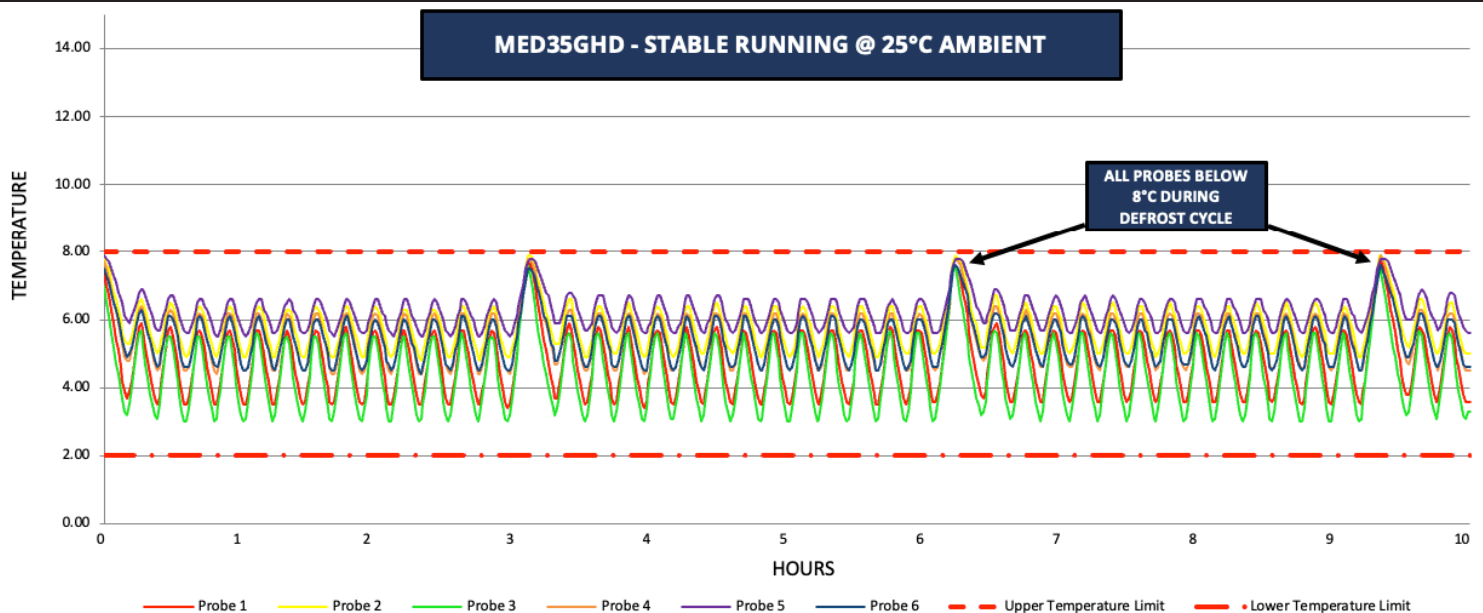

### Key Features

- \* Compact upright design suitable for countertop installation and limited spaces
- \* Temperature controlled between 2°C and 8°C by digital controller for precise regulation
- \* Fan-assisted cooling ensures uniform temperature distribution throughout the cabinet
- \* Operates on 220V AC power with built-in voltage protection for electrical safety
- \* Stainless steel interior construction for durability, hygiene, and ease of cleaning
- \* Lockable door enhances security and minimises temperature fluctuation
- \* Visual and audible alarms alert users to temperature deviations or door openings

### Performance Data Graph

The MED35GHD will maintain temperatures well within the 2-8°C range at 25°C ambient temperature.

# MEDICAL FRIDGE

# MED35GHD

## Construction

External material	Stainless steel
Internal material	Stainless steel
Insulation	CFC-free high-density foam insulation
Shelves	1 fixed stainless steel shelf
Door type	Glass, hinged door
Door lock	Lockable latch
Lighting	No internal lighting
Light switch	No external light switch
Probe hole	Comes with a pre-fitted independent temperature monitoring probe hole
Feet / base of unit	Levelling feet

## Refrigeration

Compressor(s)	1 compressor
Cooling method	Fan-assisted cooling
Defrost mode	Automatic defrost
Refrigerant	R600a

## Model

Model name	MED35GHD Medical Fridge
Cabinet type	Upright
Capacity	35L

## Performance

Temperature range	2°C to 8°C
Max ambient temperature	32°C
Controller(s)	1 digital controller with LED display

## Dimensions

External dimensions (H x W x D) mm	540 x 480 x 430
Internal dimensions (H x W x D) mm	364 x 384 x 340 <i>Note: angled interior back wall</i>
Weight	Approx. 30kg

## Electrical

Voltage	220V AC
Electrical protection	Built-in voltage protector
Energy rating	B

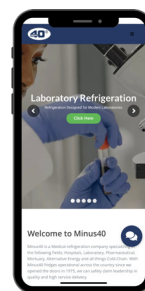

## Alarms

Temperature alarm	Audible and visual alarm for temperatures outside of range
Door alarm	Audible and visual alarm

## Minus40 Service Level Agreements

As with all Minus40 products, the MED35GHD comes with our trusted service warranty, ensuring long-term reliability. For enhanced performance and extended lifespan, consider our annual service agreement, designed to keep your medical refrigeration systems in top condition. Make sure to discuss this with one of our sales representatives!
